Are you an artist, maker, or creator? Are you looking for a space to sell your hand made products?

Then look no further than Wellington Arts 7th ART and SCULPTURE Event.

The A&S event is run over two days. The Saturday is for visitors to come in check out the exhibits, to start the people's choices voting. Saturday night we have introduced a new component, whereby we will be having a Fire Bucket Challenge. Entrants will create their own fire buckets, that will be exhibited on Saturday and lit that night, with live music, marshmallows, and dining all around the fire buckets.

Sunday being Father's Day and our big day, we welcome more visitors to view and vote on the Sculptures and art works. Workshops for attendees to participate in, more live music and lunch while they wander through the market space.

The markets give attendees the chance to experience the vibrancy of a diverse artisan scene and take home many different items.

And a key artist exhibiting their craft throughout the day - yet to be announced.

Art and Sculpture showcases some of our regions most talented artists, creators and makers.
